

Landscape Committee Meeting March 14, 2017

Committee member Y. Dinkins, excused.

Plants

Bet & Karen walked last Wed. with Serpico crew, Rick & Marco.

Old rosemary will be removed on west side of walkway between 33 SVD & 39 SVD.

Mexican salvía & French lavender will be planted.

Request received from T. Diskon to remove euonymums & plant English lavender between 53 SVD & 61 SVD.

Request received from J. Howard to plant donated hydrangea & trim day lilies behind her house. J. will be contacted regarding specific location.

Rocks to be placed on hillside at Charing Cross & Hiller to hold mulch.

Rocks to be placed in area around HHV mailbox & fertilizer box.

10-12 New Zealand yellow flax will be installed on Hiller Dr.

A rhody at 6674 Charing Cross has fungus. Serpico will be asked to spray it.

A redwood tree has been donated. Bob Seiben will be contacted to see if it can be planted on the lower hillside.

Trees

Two cypress trees were installed in the Med. garden area. One to replace the one damaged by winter storms & one additional will be installed by the bench with a bubbler. The cost is \$637.

Request received to trim tree #536 between 11 SVD & 15 SVD. It is rubbing on the windows.

Budget Report

Akiko reported that all Serpico invoices are up to date. She reviewed the budget numbers & we are on budget.

Money from the tree budget will be used to pay for mulch.

Next meeting will be April 18, 2017. Annual meeting March 28th.

Submitted P. Meeds
