

Landscape Committee Meeting April 18, 2017

All Committee members present. Board member, T. Diskon guest.

Plants

The mulch was delivered today. Serpico workers will distribute it the next few days.

The new plantings will be done this week.

Marco from Serpico brought around a landscape designer. They walked the property and will offer suggestions for upgrades and improvements. Bet asked that they look at several specific locations and look for areas to plant milkweed. They will also be asked to look at the area between Hawks Hill & Starview Dr. to plant dwarf oleanders.

Yellow phormium will be planted in a wave down lower Hiller Dr.

A plants walk-around will be May 10th.

Trees

Betsy reported on the project to get the tree behind Hawks Hill Ct. trimmed. Brendan will be here on April 28th to look at the tree.

Oak trees on Hiller need to be looked at for crown pruning & disease control.

Trees walk-around will be May 19th.

Budget

Akiko presented the '17-'18 budget. The budget has been reduced by \$4,000.

She designed a work sheet to keep track of the ordering & billing through out the year.

She asked other committee members to keep track of activities and give her the work sheet each month.

Next meeting June 13th.
