

## Landscape Committee Meeting July 11, 2017

All committee members present. Y. Dinkins excused.

### **Plants**

Bet reported that the 12 additional phormiums have been installed along lower Hiller Dr.

Per the fire Marshall's request the wisteria vine at 105 Starview Ct will be trimmed to reveal the house number. The gardeners will be asked to check all of the houses with vines at the front door area and to trim any that have the house number covered.

The vine at 11 Hawks Hill Ct. will be removed and replaced with a red phormium.

The vine at 63 Starview Dr. will be trimmed away from the balcony.

The pots in the walk through have been leveled.

The new azalea installed at 63 Starview Dr. has died. Possibly from a lack of water.

The plants ladies will schedule a walk through next week with Marco.

### **Trees**

The tree trimming work is scheduled for the week of July 17<sup>th</sup>.

The first request for Fall tree work has been received. Requests will be received until September.

### **Budget**

The bid for the tree work has been corrected to reflect the work being done.

The previous owner at 555 Hiller Dr. will be billed \$65.00 to replace the plant damaged while preparing the house for sale.

Next meeting August 8<sup>th</sup>.
