

Landscape Committee Meeting Dec 13, 2016

All Committee members were present.

Plants

Bet reported that they walked last week with Trina from Serpico. It was very cold & it was a short quick walk.

They received from Serpico a map of the work areas. Bet sent the map to all committee members.

In the future Serpico will provide unit pricing on bids for plants.

The dead azaleas by 7 SVD & 6672 CC will be replaced.

A bid was received for 20 plants @ \$1408. plus 4 plants @ \$260. to replace dead plants at the sign at the bottom of Hiller Drive. Hopefully the planting will be done this week.

Bet will send an email requesting the acacia be cut.

In the Spring more leggy rosemary will be trimmed or removed.

Per the homeowners request, pyracantha will be planted around their lower deck for security.

Trees

Betsy reported on meeting with Ron Rosenberg & Brendan regarding the trees on the hillside. It was determined that 6 trees can be trimmed by the maintenance crew.

Three bids were received for tree work. Pam will contact Serpico regarding the exchanging the replacement oak on Hiller with an olive tree.

Tree work will be done in January.

Insect spraying & deep root feeding will be done in February.

Akiko reported that we are on budget.

Next meeting will be Thursday, Feb 9, 2017.
